Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable rate.

D. Provisions, Contingent Liabilities and Contingent Assets:-

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized, but are disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

E. Taxation:-

Tax expenses comprise of Current and Deferred Tax.
